6. PRECEPT 2021/2022

Dick Hoile and The Clerk have been disseminating figures to the Committee. Cllr Tinto thanked them for the work they had done and for clarifying the situation and providing the information. There was discussion about not raising the precept during a pandemic when some households are in difficult financial situations, other views were that the precept should be raised so that support may be offered to communities. It was also felt that committees should be looking at the budgets in March 2021.

Proposal/Resolution: to increase the precept by 3% and look to set the committee budgets in March 2021. Proposed: Cllr Irons, seconded: Cllr Beech, 2 objections all others in favour.
