

Gunnislake King George V Field

Gunnislake King George V Field

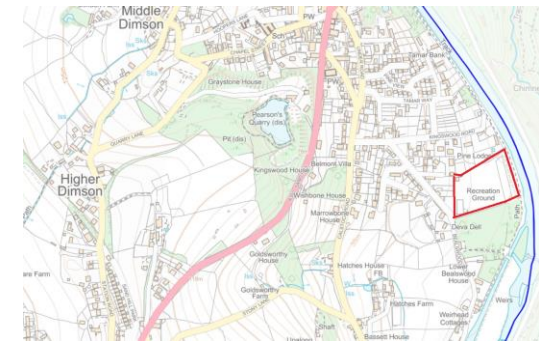

Shrubs around the gas governor to screen it

Hedgerow infill along perimeters

A hedgerow around the tennis court (but not to impinge on the use of the basketball court)

Apple and fruit trees to be planted in the wildflower area, widely spaced out

Research bat-friendly trees and shrubs to support the bat population found in this area

Be mindful of the land at the Eastern end being excessively wet and possibly contaminated from mine waste
