

TAMAR VALLEY COMMUNITY BUS **NEWS**

DRIVERS URGENTLY NEEDED

We are hoping to reinstate the Tamar Valley Community Bus with a limited timetable in August and a fuller timetable in September.

However, this is all dependent on changing guidelines and there being enough volunteer drivers.

If you could offer a few hours a month to support the return of this invaluable community asset please contact me on carolincornwall@gmail.com or ring me on 07977486915.
