

WREATH MAKING WORKSHOP

Learn how to make a wreath using natural vegetation – no synthetic materials – just natural flowers and plants.

In time for Mothering Sunday, this would be a lovely tribute to place on the grave of a loved one

This workshop is free, dried flowers will be available but if you would like to bring your own vegetation, please do.

Secateurs and gardening snips will also be useful on the day.

Numbers are limited so please contact us to reserve a place. Please email us:
clerk@calstockparishcouncil.gov.uk

Or telephone: 01822 748847 leaving your name and contact number

March 18TH 2022,
