What 3 Words - fades.messy.bloom

This is a six mile walk via the River Walkham, Ward Bridge and Sampford Spinney, Hecklake Quarry and Vixen Tor. The last bit of the walk is a little challenging and it could well be muddy after rain.

Remember to bring a drink and packed lunch. Walking boots or shoes are recommended. Sorry no dogs, except registered assistant ones kept on a lead. Non members £3.00. For more information visit our website
