Dear neighbour,

Maintaining the railway tracks – St Budeaux to Gunnislake

We're sorry for the short notice of our work, but we wanted to let you know that we'll be working near you this weekend to carry out maintenance to the railway tracks, helping us to maintain a safe and reliable railway.

We'll be working **overnight** when trains aren't operating, so our teams can work safely, but please be aware these dates may change. Please see below for our table of shift times.

Monday 3 April - Wednesday 5 April	Two consecutive overnight shifts: 10:00pm – 6:00am
---	---

The nature of our work often means some noise is unavoidable. We're aware we are working close to your home and will try to minimise this as much as possible, but we are sorry if we do disturb you. Thank you for your patience while we carry out this important work.

I hope this information is helpful but if you have any questions, there are several ways to contact us, by calling our dedicated 24-hour National Helpline on 03457 11 41 41, visiting www.networkrail.co.uk/contactus or scanning this QR code with your phone for more information about living by the railway.

If you are thinking about doing any work on or near the railway infrastructure, please contact us so we can provide expert advice and assistance

Yours faithfully

A handwritten signature in black ink, appearing to read "Emma Heather".
