Dear neighbour,

### **Vegetation management in the Gunnislake area**

We wanted to let you know that we'll soon work in your area to maintain the vegetation and trees. As part of this work, we'll be removing or cutting back trees, helping us to keep a safe and reliable railway.

Work will be carried out during the night so that our teams can work safely, but please be aware these dates may change. Please see our table below for the shift times and dates.

<b>Saturday 17 – Thursday 22 June 2023</b>	<b>Five consecutive overnight shifts: 10:00pm – 6:00am</b>
--	--

The safety of the public, travelling passengers and our staff is our number one priority. Uncontrolled vegetation can pose a serious risk to the safe running of the railway.

The nature of our work often means some noise is unavoidable. We know we are working close to your home and will try to minimise this as much as possible, but we are sorry if we disturb you.

I hope this information is helpful but if you have any questions, there are several ways to contact us: our dedicated 24-hour National Helpline on 03457 11 41 41, visiting [www.networkrail.co.uk/contactus](http://www.networkrail.co.uk/contactus).

Yours faithfully

*If you are thinking about doing any work on or near the railway infrastructure, please contact us so we can provide expert advice and assistance*
