

**DEVON &
CORNWALL
FOOD ACTION**

Can you help us, and we help you?

Many people are finding it difficult with the increasing costs we are all facing. Sometimes it seems difficult to know what to spend money on. We are also all aware of the crisis the environment is under. Trying to reduce our impact can seem too costly when we are on a budget. With an initiative from Devon and Cornwall Food Action you can make a difference. For £20 you can purchase goods worth over £80 and the produce does not end up in landfill.

DELIVERY DATE:

MONDAY 21 AUGUST 2023 BETWEEN 1100-1230

to find out more about their work

Devon and Cornwall Food Action's aim is to help any individual, family or community who are experiencing food poverty, or financial instability. They distribute to charities, schools and preschools. By so doing they help to reduce the impact of waste on the environment.
