Cllr Wakem opened the meeting by announcing that Alan Sturt had died in December. Alan was a Harrowbarrow resident who did a lot for his community and will be sadly missed. The Parish Council's condolences are sent to Alan's family.

#### 01/24 Apologies for absence

Cllr Kirk – injury, Cllr Polglase – training elsewhere, Cllr Ashley – ongoing medical issues.

#### 02/24Declarations and dispensations of members' interests in agenda items

Clare Bullimore left the room during discussion about the appointment of Clerk.

## 03/24 Recommendation from Personnel Committee to formally appoint Clare Bullimore as Clerk/RFO on scale band 33-36, 35 hours per week (staring on scale 33)

Following agreement from the Council, this item was heard earlier in the meeting and Clare Bullimore left the room during discussions.

Proposal/resolution: to appoint Clare Bullimore as Clerk/RFO on starting scale 33 for 35 hours a week. Proposed: Cllr Trapp, seconded: Cllr Newton Chance – unanimous.

#### 04/24 Public participation

The Mayor of Liskeard Simon Cassidy, Darren Tait and Yuliya Teplova spoke during agenda item 13 about Twinning with a Ukrainian town, this item was brought forward.

#### 05/24 Exploring the idea of twinning with a Ukranian town

Cllr Tinto led discussion on the benefits to communities in both Calstock and in Ukraine to twinning. Simon Cassidy, Darren Tait and Yuliya Teplova echoed how valuable it is to those communities who have been twinned to feel cared for.

Proposal/resolution: to set up a Steering Group with representatives from the parish as a whole, Cllr Tinto to chair it. Cllr Wells expressed an interest in joining. Proposed: Cllr Wells, seconded: Cllr Wilkes – unanimous.

#### 06/24 Approve minutes of the last Full Council meeting – 12-12-2023

Proposal/Resolution: to approve the minutes of the last meeting. Proposed: Cllr Wells, seconded: Cllr Letchford. Approved by all those present at the last meeting.

#### 07/24 Note the actions/expenditure/recommendations of the following Committee meetings

Proposal/Resolution: The actions/recommendations and expenditure of the following be approved en bloc (proposed: Cllr Greenwood, seconded: Cllr Trapp – unanimous):

Planning Committee: 12-12-2023, 09-01-2024

• Personnel Committee: 09-01-2024

#### 08/24 Matters arising

Gunnislake Garden – Matt Troup has done some investigative work, awaiting recommendations.

<u>Tamar Valley Centre</u> – the Clerk has looked through files and minutes from the time the TVC was commissioned. There is evidence that the Parish Council agreed *in principle* to take *temporary* ownership for funding purposes but, in the event, Cornwall Council took on the ownership and oversaw the completion of the project. The Land Registry cites Cornwall Council as the owners. The Clerk has also spoken to National Landscapes staff about the proposed alterations – they appear to be making general improvements for access and use of the building with doors being put it rather than walls.

#### 09/24 New correspondence

<u>Letter from Tammy Carter about food waste at Asda</u> – recently it appears that Asda are donating food waste to the community larder and this item was noted.

<u>Grant requests</u> received from Calstock Christmas Lights Committee, Calstock Samba Band and Callington Food Bank were delegated to F&GP to consider.

#### 10/24 Clerk's information

<u>Calstock Arts</u> – The Clerk has circulated information from Andrew Brown about a series of environmental talks to be held at Calstock Arts.

# 11/24 Recommendation from the Personnel Committee to advertise for an Outside Services Leader, scale band 29-32 for 37 hours per week for a 3-year fixed term contract with the role reviewed thereafter

Proposal/resolution: to advertise for an Outside Services Leader role to take on a role with dual responsibilities which will include carrying out practical work in the outside services and organising and managing the work and workforce, including setting up volunteer-led programmes. This role will be instead of the Deputy Clerk and the staffing budget will not be increased. An Organisation Chart was also disseminated and approved. Proposed: Cllr Trapp, seconded: Cllr Newton Chance — unanimous.

#### 12/24 Request to sign up to SCRIBE Cemetery Management package

The Clerk explained our current accounts package offer add on modules, one of which is cemetery management which stores burial records, maps graves and produces relevant documents. This has

more features than the current package that just stores a backup database and is only £40 more per year. Proposal/resolution: to approve the Clerk subscribes to the SCRIBE Cemetery Management module (start up fee of £319 and £480 annual fee thereafter). Proposed: Cllr Greenwood, seconded Cllr Trapp — unanimous.

#### 13/24 Wetlands Signs, Calstock – request from Peter Thompson

Proposal/resolution: to suggest some wording changes and to make the Parish Council more prominent on some that are relevant to land/property that will be owned by the Parish Council, and for Cllrs Spurr and Tinto to meet with Peter to explain their recommendations. Proposed: Cllr Trapp, seconded: Cllr Wilkes - unanimous.

#### 14/24 Approve removal of Beech Tree under safety order Network Rail

This item was deferred as there are lots of trees that appear to need attention. Pete Gadd will arrange to meet someone from Network Rail to ascertain which tree in particular they put the safety order on.

#### 15/24 Request from Susan Ives to hold Calstock Regatta on 01 June 2024

Proposal/resolution: to approve the holding of Calstock Regatta on 01 June 2024 subject to relevant insurance certificates and risk assessments being submitted and a reminder about not using single-use plastic items. Proposed: Cllr Spurr, seconded: Cllr Greenwood – unanimous.

#### 16/24 Standing Item - Toilets

Cllr Tinto asked when the deep clean would take place in Calstock Toilets so that the Perspex display boards can go up with the cleaning charts – the Clerk will follow this up.

The Clerk reported that Calstock Toilets have had some work to stop them blocking.

The Clerk asked if the council would consider re-opening Gunnislake toilets and monitor their (mis)use but it was agreed to wait until the spring.

#### 17/24 Standing Item – A390 and Speedwatch

Cllr Wells reported that he is waiting to hear back from Will Glassup about his recommendations on improvements to road markings in Gunnislake.

There is still no date for the outstanding actions on the A390 to be completed – the working group will continue to fight to make sure any underspend is not diverted to generic schemes across Cornwall such as the '20 is plenty'. There is clear evidence that the Speedwatch initiative and the cameras are reducing speeding along the A390. Despite this, the camera at the Eastern end of St Ann's Chapel was vandalised again. Two Speedwatch sites in Cox Park were turned down but there are a couple more to assess and it is hoped that volunteers will come forward for the Albaston area. The police will be providing signs for lamp posts to indicate where Speedwatch is taking place and body cams for the volunteers which should help stop the occasional confrontation that they are faced with.

#### 18/24 Standing Item – Calstock EA Flood Defence, Footbridge and Town Farm Field Partnership

Cllr Tinto explained that thanks to Gill White from the Tamar Community Trust a new map showing access and permissive paths has been drawn up and sent back to the EA (the one that had been sent

for approval was out of date). The EA are putting a lot of pressure on the Parish Council to get the ownership of the path and bridge signed off but he feels the Parish Council should stick to their decision of having the three documents signed off at the same time, including the lease for Town Farm Field. A meeting with our solicitor has been set for 05 February 2024.

The Clerk countered Cllr Tinto's recommendation by saying that she felt the Parish Council has nothing to gain from delaying the transfer and there is more to lose: Town Farm Field has not been publicly accessible and yet the path and bridge have been widely used. She also felt good relations between the TCT and Parish Council have now been reformed and for this -and ongoing relationships with the EA- the Parish Council should reconsider their decision.

Proposal/resolution: the Parish Council should stick to their decision to have all documents signed off at the same time. Proposed: Cllr Tinto, seconded: Cllr Wilkes – 9 in favour, 1 objection, 4 abstentions.

It was also agreed to delegate to F&GP exploring the viability of changing solicitor.

The Clerk wished to publicly thank Gill White for her tireless efforts with this, the Chair and council concurred.

#### 19/24 Standing Item: Fosters Field

The Clerk has made contact again with Cornwall Council representatives who are still waiting to hear from the DfE.

#### 20/24 Cornwall Council Report – Cllr Kirk absent

## 21/24 Reports from other members representing the parish council on the committees or at meetings of other organisations

Cllr Beech – the pre-school is still doing well and is full.

Cllr Ledger – the Devon and Cornwall Food Action initiative is still going strong with more people accessing the service, she is involved in talks with Callington Town Council and offering them advice to set it up in Callington.

#### 22/24 Approve payment list

Proposal/resolution: to approve the payments. Proposed: Cllr Newton Chance, seconded: Cllr Alford—unanimous.
